Aubrey Smith : How to Build a Robot (With Your Dad): 20 Easy-to-Build Robotic Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Build a Robot (With Your Dad): 20 Easy-to-Build Robotic Projects:

1 of 1 people found the following review helpful. Building robots with boxesBy Barbara HoffpauirWe returned this one because it appears it is only about building "robots" using boxes. We were looking for something that would show our grandchildren more about how robots worked and giving them projects to build.2 of 7 people found the following review helpful. beautiful and funBy diane shimkusgreat good. perfect condition. Will be giving it to my son for Christmas. I'm sure it will bring much joy to our family :)8 of 35 people found the following review helpful. Too bad I have estrogenBy STEMInistI was going to buy this book for my daughter and I but alas, I have estrogen and found that

this book excludes 50% of the adult population. I found another book on robotics that had exclusive language for Mothers and all their children. I am not sure what it is that disqualifies me from building with my children perhaps Aubrey (a female and Mother) must know first hand.

Simple, imaginative, affordable robot projects offer creative fun for parents and kids From Star Wars to WALL-E, kids of all generations continue to be fascinated by robots. Here, finally, there is a book that teaches little kids (and big kids alike) how to make their own! This is a fun-filled activity book to be enjoyed by kids and parents together. It contains 20 different robotic projects, each beautifully illustrated with step-by-step instructions, including robot suits and jet packs, edible robots, fimo keyrings, grow-your-own-hair robots, giant robots, and more. Some will only take a few minutes, some the whole afternoon, and all use available or cheap materials, and a little imagination!

This is a book any mini maker would love to own Crafts Beautiful A perfect gift for Father's day Family Interest Magazine A perfect title on so many levels Families Southeast About the Author Aubrey Smith is a writer, illustrator, and cartoonist. He is the illustrator of Are You Turning Into Your Dad?, A Classical Primer, and The English Village.
