I was afraid I'd be discouraged having to learn about the different materials and techniques, but it was all pretty straight forward. When it came to making mistakes, apparently the author had already made mistakes of her own and advises the reader what not to do. There are a number of nice gift-like articles I still want to try.0 of 0 people found the following review helpful. Greatest book, very helpBy SleighrideThis is the greatest book, easy teaching, great technique. Easy to understand...thanks for the great book...Fast shipping, reasonable price... Al in my book as always, great products, easy to shop here.0 of 0 people found the following review helpful. Rug Hooking 101By Queen BeeI loved this easy to read step by step instruction book on rug hooking. I wasn's sure how to begin this hobby but I knew I always wanted to try. Ms. Brault's book was filled with pictures of how to get started and I am

now working on my first project. Hope I make it to her more advanced styles in later chapters. Good value for money.
