**Terry Michaud, Doris Michaud : How to Make and Sell Quality Teddy Bears** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make and Sell Quality Teddy Bears:

0 of 0 people found the following review helpful. it's a very nice one that I'm not sorry I boughtBy Heather HilburnThe front cover says 'Free Patterns', but there's only one inside, the smaller yellow bear on the cover. The bear is night, but I think the head gusset is too side and I would adjust accordingly. The instructions are very clear and the material inside is handled extremely well. There are plenty of color pictures of other bears for reference and inspiration, and constructions steps are well documented. While not a vital teddy bear book for your collection, it's a very nice one that I'm not sorry I bought.0 of 0 people found the following review helpful. love this bookBy CATkinsthis book is so much fun to read, even if you never make a teddy bear, but if you do, the patterns and directions are complete and easy to follow

Follow this easy step-by-step guide to design, create, and produce your own top quality teddy bears. Easy to follow directions show helpful shortcuts plus how to avoid pitfalls. Marketing opportunities and how to start a budding career are discussed. Includes a pattern for a 12" teddy bear. Featured are 46 color photographs out of 168 photographs. 128 pages.

From the Back Cover This is a step-by-step guide for the person who wants to create a top quality Teddy Bear as a gift, for themselves, or as a budding new career. Concise directions and helpful shortcuts will aid you in avoiding the pitfalls of designing and creating your own patterns. These instructions will enable the Teddy Bear maker to produce a truly unique product. The authors share the experience gained in building a highly successful Teddy Bear business under the name Carrousel. In addition to the wealth of information on making and selling Teddy Bears, there is a complete pattern and instructions for making a 12in (31cm) Teddy Bear of your very own.
