**Doug Knopp : How to Make Copper Scorpions by Doug Knopp** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Make Copper Scorpions by Doug Knopp:

Want to turn a little bit of copper and time into \$150 or more? This tutorial on making copper scorpions will show you how to take a small amount of copper wire and turn it into a fun, money-making hobby. Imagine turning a pound of copper into 6 scorpions that can easily be sold for \$25.00 or more a piece. With very little time and investment, you will be on your way.

About the AuthorArtist and journeyman wireman Doug Knopp has been making copper scorpions for more than 15 years. He currently lives in Woodbury, Tennessee where he shares his love of the craft with friends and family.
