**Audrey Johnson : How to Make Dolls' Houses** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Make Dolls' Houses:

This vintage book is a comprehensive and accessible manual for the building of dolls houses and furniture. Provided are detailed, step-by-step instructions for building a variety of houses, beginning with a simple model schoolhouse that

could be made cheaply and by children, and going on to more complicated tasks that eventually lead to the construction of a nineteenth century draper's shop and flat. Contents include: A School A Confectioner's Shop and Caf, A Late Victorian Draper's Shop, A Westmorland Farmhouse, A Tall Villa, A Sweet Shop, A Hunting Lodge, A Miniature Doll's House, A Public House, A Cabinet in the Form of a Doll's House, etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction on dolls.
