Mary Kay Fisher : How To Make Your Own Scarecrow the Buchanan Scarecrow Ladies Way before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Make Your Own Scarecrow the Buchanan Scarecrow Ladies Way:

The illustrated step-by-step instructions and patterns in this book show how to easily make your own special scarecrow. Well over 150 pictures and illustrations inside give many ideas for creating a truly unique scarecrow.

About the AuthorMary Kay Fisher has been making scarecrows since 1987. Over the years her creations have changed

from just straw stuffed creatures with outstretched arms to animated scarecrows riding bikes, playing musical instruments, hanging upside down from a pole, etc. Her scarecrows are truly a work of art.
