Georgina Ledlie : How to Recreate Your Own Antique Bears and Dolls before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Recreate Your Own Antique Bears and Dolls:

2 of 2 people found the following review helpful. How to Recreate Your Own Antique Bears Dolls must have! By Sharon Nordgren If you want to learn how the doll makers from YesterYear created their dolls, and then create your own vintage style Dolls Bears, the same way... Or if you just want to know how they did it.. How to Recreate Your Own Antique Bears Dolls by Georgina Ledlie is the book to have. Recreate and capture the image, magic and artistry of the old dolls and bear makers using, as far as possible, the same materials and techniques. Georgina Ledlie provides detailed instructions on how to recreate your own antique dolls and bears. Included are patterns to copy as well as handy tips on the types of materials to use to achieve the most authentic effects. This is a MUST have for your Doll Library ! 1 of 1 people found the following review helpful. A Lovely book on antique reproduction dolls and how to make them... By KeyMaster This is an awesome book, interesting to read, and would highly recommend this book to any vintage doll collector who wants to try making these wonderful dolls of the past... Easy instructions, great photos... this is book for the novice to the experienced. The book is a keeper and will not be leaving my library... An excellent tome. I highly recommend to any doll maker from beginning to advanced, two thumbs up... and big thanks to the author. More books like this please... 1 of 1 people found the following review helpful. A Collector's Choice By Judy Crowder Whether you are a bear or doll maker, collector or someone who enjoys just looking, this book is a welcome addition to your library. The book includes patterns and tips for bear making. It also gives the reader a more

discerning eye for viewing manufactured and artist bears.

Provides detailed instructions and diagrams for recreating your own antique-style dolls and teddy bears. The book includes patterns and tips on the types of material to use for the most authentic effects. Each of the 16 projects is illustrated.
