Barbara Koval : How to Repair and Restore Dolls before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Repair and Restore Dolls:

8 of 8 people found the following review helpful. Do not pay more than a couple bucks for this one By Susan M. Reynolds This is one of the worst doll repair books. It hardly has any pages. I only paid 2.00 plus shipping for my copy and that was way way too much. Now they want 30 and 40 dollars for this worthless book. 2 of 2 people found the following review helpful. Not the Best Doll Repair Book By Customer This is a very basic little booklet, and everything in it can be easily found online. I was hoping for something a little more advanced and professional. I'm just glad I didn't pay much for it. 0 of 0 people found the following review helpful. Five Stars By Ruby Very good book to have if you work on dolls.

This book covers the techniques needed to repair and restore broken, battered dolls, once someone's pride and joy, to their original beauty. Plastic, vinyl, composition, bisque and celluloid are all covered - how to remake cloth bodies, restore and replace wigs, reset eyes - all these problems are solved, with easy-to-follow, step-by-step instructions and diagrams, as well as photographs.
