Paula Guhin : Image Art Workshop: Creative Ways to Embellish Enhance Photographic Images before purchasing it in order to gauge whether or not it would be worth my time, and all praised Image Art Workshop: Creative Ways to Embellish Enhance Photographic Images:

15 of 16 people found the following review helpful. Creative Ideas for Photographs By L. Dombrowsky There are 142 pages, including Intro, Index and Artist's Gallery, in this book. In between are 21 sections/ideas for projects. Each section contains a list of materials tools, tips pointers from Paula, and photos showing projects, beginning and end. Not all of the techniques interest me, however, I'm going to try at least 13 of them. Even if I don't try them all, this is a good "how to" and "reference" book that I'll keep on hand. It is apparent to me that Paula put a huge amount of time and effort into this book. My opinion is that its worth buying. 0 of 0 people found the following review helpful.

Exciting!By peggyswflWonderful, well explained ideas for being more creative with my photos! I am excited!0 of 0 people found the following review helpful. Four StarsBy Geri G. TaylorGood book! Very inspirational.

This book teaches the reader to think of a photograph as a canvas for a wide range of artistic manipulation and coloring techniques. Once upon a time, you hesitated to even take scissors to a photo (even an imperfect one) because if you lost its negative, youd also lose that moment in time forever. In this day of digital images and photo printers for the home computer, photographs are easily duplicated, so you never have to be concerned about preserving printed photos. You can cut, color, collage, and camouflage to your hearts content. The photo is now an art medium that can be altered physically or digitally to create all kinds of effects.

About the AuthorPaula Guhin is a former educator, visual artist, photographer, and the author of the ever-popular *Glorious Glue*, *Art with Adhesives* (J. W. Walch) and *Can We Eat the Art?* (Incentive Publications). Articles have appeared in *School Arts*, *Instructor*, *Teaching Today*, and many more periodicals. She is also a contributing editor for *Arts and Activities* magazine.
