Ruth O Barnes : Indian Block-Printed Cotton Fragments in the Kelsey Museum (Kelsey Museum Studies)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Block-Printed Cotton Fragments in the Kelsey Museum (Kelsey Museum Studies):

1 of 1 people found the following review helpful. Great Textile ResourceBy BethThis book is a great resource for the Indian textile researcher. The pictures are well-done and the analysis is very competent. Ms. Barnes is very skilled at clearly stated what can be known and what can be conjectured from an analysis of these textiles. As a budding textile researcher I found her analysis both informative, and comprehensive. It certainly isn't a light a read, but the clear explanations make it possible for even a beginner to gain knowledge from this book.

The first full examination ot these dramatic cloths.
