This book really fed my artistic spirit and got me excited about making art again. Deanne shares many touching and personal insights about being a creative person. Don't buy this book to learn about how to do rug- hooking! Buy it to help you learn what it takes to be an artist. There are many pictures of rugs in it but they were not the best quality photos. Many of them seemed a bit dark to me.0 of 0 people found the following review helpful. Not only is Deanne Fitzpatrick a wonderful rug artistBy LivelybNot only is Deanne Fitzpatrick a wonderful rug artist, but she can WRITE! I loved the great section on how her rug work is inspired by her heritage and

location and religious background. I have recommended this book to several of my friends.

Working from twenty years' experience as a rug hooker, studio owner, and teacher, Deanne Fitzpatrick shares her sources of inspiration, work habits, ideas about creativity and design, and helpful guidelines for creating beautiful, expressive rugs. Practical suggestions for hooking houses, landscapes, seasons, stories, and people are accompanied by the artist's insight into tapping creativity and learning how to make art from life. Tips for choosing colours, experimenting with texture, preparing a backing, transferring a design, and achieving realistic depictions are interspersed with passages on artistic inspiration and process. Best of all, over 80 striking colour photographs of the author's own projects and techniques provide readers with excellent reference points for turning their own experiences into magnificent rugs.
