Her imagination and supply of unusual ephemera is well worth the price. a very valuable resource book.6 of 6 people found the following review helpful. Another MasterpieceBy dana thomasI've been a big fan of Sandra Evertson ever since I found her book, Fanciful Paper Projects. This is another great volume filled with wonderful, whimsical pages of her original art and vision. If you are into scrapbooking and are looking for something totally fresh pick up some or all of Sandra's books. She also contributes to quite a few magazines from Stampington.

A fail-safe, quick and easy way to showstopping scrapbook pagesall at an amazing price. No scrapbooker will be able to resist! Now its possible to create a memorable vintage scrapbook page in just minutes! Instant Memories makes it simple, because each volume features 57 perforated pagesall in the popular 12 x 12 sizeready-made for your photos. Scrapbookers can just choose the one they want, tear it out or photocopy, add those precious pictures and personal writings, and theyre done. And the price is unbelievable: while individual scrapbook papers can range from 50 to \$2.00 apiece, here you get 57 for just \$14.95. For added value, each collection comes with a CD that contains all the images for downloading so you can create your own layout. Theyre great for fabric transfers and wood crafts too. This

seasons beautiful entries feature Birthdays, Children, and Fairy Tales three of the most popular subjects with crafters.
