I own nearly all of these and wouldn't take anything for them. I know, before long, they will be out of print and they'll be worth a lot of money. I have never been sorry of my purchase of Memories Books. They are wonderful!!0 of 0 people found the following review helpful. Five StarsBy janThis will be great to use for the scrapbooking of grandchildren's activities.0 of 0 people found the following review helpful. GREATBy Gods DaughterLOVE THE GRAPHICS WISH THEY HAD MORE BOOKS... TOO MANY WORDS REQUIRED TO REVIEW... THINK ABOUT FEWER WORDS IF YOU WANT MORE REVIEWS

Containing 57 perforated scrapbook pages, this book includes a CD that contains images and is compatible with both Macs and PCs. It also features many designs.
