Andrea Vetten-Marley : Instant Memories: Music Pages: Ready-to-Use Scrapbook Pages before purchasing it in order to gage whether or not it would be worth my time, and all praised Instant Memories: Music Pages: Ready-to-Use Scrapbook Pages:

4 of 4 people found the following review helpful. Busy layouts, but neat elementsBy CarrieTownAs with all of the Instant Memories series, you not only get the beautiful layouts on high-quality printed pages perforated for easy use, but you also receive a CD-ROM with all of the pages and seperate elements presented as either 72 dpi or 220 dpi. If you like to create on the computer as well as tactile elements, you will LOVE these books.This book in particular features busier layouts than previous editions. My favorite ones are the Anna Corba editions because they are beautiful on their own, but would work with additional elements you add. This book's layouts seemed so busy with the additional sewn adornments, I have difficulding incorporating my own ephemera to the layout. However, as I said before, you can use each piece individually with the CD, or even cutting it out of the layout. So, even if you don't completely love the page layouts, you will not be wasting your money.0 of 0 people found the following review helpful. These are very cuteBy KWarnerI do not do scrapbooking, but sometimes I want some cute papers for other projects I have. These pages are very well done.2 of 2 people found the following review helpful. Love this book and CD. It will certainly be a useful tool for my scrapbooking.By T. F. HankinsLove this book! Having the CD is extremely useful. Thanks so much for the great service.

"The Instant Memories[trademark]" series makes scrapbooking so simple. Each volume features 57 perforated pages

which are ready-made for your photos - simply choose the one you want, tear it out or photocopy, add pictures and writings and the page is done! Each collection comes with a CD that contains the images for downloading for personal layout choice. They're great for fabric transfers and woodcrafters too.
