Claire Polakoff : Into Indigo: African Textiles and Dyeing Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised Into Indigo: African Textiles and Dyeing Techniques:

Rear cover notes: "Drawing from the richness and diversity of African textiles, Claire Polakoff presents a vividly detailed study of the traditional dyeing arts of Africa. INTO INDIGO examines five major techniques - from the popular tie and dye and batik to the lesser-known processes involved in creating adinkra, bokolanfini, and Korhogo cloths. In addition, Polakoff explores the traditions and symbolism associated with each design. A fascinating survey of both cultural history and actual techniques, INTO INDIGO is an invaluable guide to this important art tradition." Illustrated with 7 color plates, 129 black and white photographs. Glossary, bibliography, index.
