Petra Kaiser : Introduction to Glass Fusing before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Glass Fusing:

0 of 0 people found the following review helpful. for someone who doesn't know fusing, would find it helpfulBy CustomerI bought this hoping I would learn something I didn't already know like how to fire a kiln properly. the firing schedule caused me to overfire and the explanation of said firing schedule was confusing. I guess for someone who doesn't know a thing about fusing would find it helpful but I am disappointed.2 of 2 people found the following review helpful.
