Carol Donasky : Iris Folding 2: 29 Designs for Cards and Scrapbooks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Iris Folding 2: 29 Designs for Cards and Scrapbooks:

7 of 7 people found the following review helpful. Iris Happy Happy Happy! By MayJ63 The projects in this book were very different from the traditional iris folding patterns. The corset and dress makers stand were my favorite. I made the kisses from mini Hersey bar wrappers and they turned out really cute. It is one of the few books for folding where I have made cards from every pattern. This was Iris folding 2. I want to but Iris Folding 1.5 of 5 people found the following review helpful. Wonderful Iris Folding Book By Mary Bourgeois I wanted some new patterns for making iris folding cards and this book is filled with ideas, patterns and instructions. 0 of 0 people found the following review helpful. The iris folding places are way too SMALL! This ... By Patricia Duvall The iris folding places are way too SMALL! This is more suited to scrap booking -- NOT card making. They would be much nicer if they were LARGER -- more of the iris folding would show.

Learn exciting ways to intricately fold designs in cards and scrapbook pages.

About the Author Carol Donasky loves working with paper and specializes in "Iris folding." Her beautifully folded cards are known for their delicate beauty.
