Nan-C Company (Hill) : It's All About Mini Albums (Leisure Arts #3731) (Memories in the Making Scrapbooking) before purchasing it in order to gage whether or not it would be worth my time, and all praised It's All About Mini Albums (Leisure Arts #3731) (Memories in the Making Scrapbooking):

0 of 0 people found the following review helpful. This book is titled incorrectly! By Kim It is not about mini albums! It is extremely disappointing. Just a few tips and ideas. If you don't know how to make minis, you will certainly not find out from this book. I could have written a better book. This was the worst scrapbooking book I have ever purchased. Deeply disappointed! 7 of 7 people found the following review helpful. It's All About Mini Albums By Diversified Lady The pictures in this book are nice. However, I dont think there was enough instructions to actually create the projects in the book. 0 of 0 people found the following review helpful. Mini ideas By Betty Howerton This book had so many ideas! I loved the one that incorporated coffee sleeves as an album. I came away with so many plans for albums

that I am excited to get started. Most of them are from items that are just tossed in the trash! Love this book.

Now scrappers can create pint-size memory albums by lifting ideas from this fantastic idea book or by copying the designs and adding their own creative touches! Making and sharing mini albums with friends is great fun, and they make perfect gifts!

About the AuthorLeisure Arts is a leading publisher and distributor of how-to and lifestyle publications with emphasis on creative crafts, needlework, decorating, and entertaining. Leisure Arts is located in Little Rock, AR.
