It is well written and directions easy to follow. Many pictures, all in color. Quilts shown in different colors to give you a new way of seeing them. 4 of 4 people found the following review helpful. Lovely Pattern Choices! By reader geek I have looked at this book several times this week trying to decide which quilt design to make with one of my jelly rolls! I can't decide because there are several I like...so I will just have to buy more jelly rolls before I decide! LOL! This really has several lovely designs from which to choose for making Jelly Roll Quilts!

Jelly Roll Quilts features 12 award winning designs for quilts to make using jelly roll fabric rolls. The 12 winning quilt designs are from the finalists of the 2010/2011 Jelly Roll Dreams international quilt competition. Step by step instructions illustrate how to make each quilt to ensure a perfect result every time. Each design comes with a full colour styled photograph, comprehensive making instructions and diagrams, and requires just one Jelly Roll to make. Perfect for ideas to use up your jelly roll collection.
