Very helpful and informative book.0 of 0 people found the following review helpful. This is a great resource, with a nice assortent of quiltsBy Malinda PontonThis is a great resource, with a nice assortent of quilts, using a variety of precuts. However, I purchased it specifically for use with jelly rolls.

Cleverly combine basic units to create one-of-a-kind designs that may look complex but are easy to assemble. These dynamic quilts are perfect for quilters of all skill levels and are easily adaptable for weekend projects. Softcover
