Not what I thoughtBy Sue
TheveDescription was a bit misleading. I thought this would actually have info on placement for better deign. It is simply a guide to tell you if you want to make a ratio what the dimensions would be (a 3:1 ratio for(9 inches : 3 inches) I can do the math. If you can't do math, then this will help you. It didn't help me with design technique like I thought it would.10 of 10 people found the following review helpful. great guideBy Mary M. JohnsonI didn't realize this was just a folded plastic guide, 8 sides. However, the basic rules for composition are there. It will be useful in the

art classroom or for starting artists.
