By Susan LushScrapBooking used to have many idea books and magazines but sadly they have all gone to the wayside. I was looking for something new to browse trying to get my mojo back and came across this one. It is older but let me say it is probably one of the best books I have seen to date. Lots of pages caught my eye--also the handwriting tips and journaling prompts were great. Worth the money for sure and will be in my stash for a long time!! 1 of 1 people found the following review helpful. Awesome idea book for scrapbookers By ARCEven though this book is a few years old, it is a GREAT resource for scrapbookers looking to create meaningful pages. It has contributions from many of the big names in the industry plus many lesser-known but really talented scrapbookers as well. It's huge and packed full of interesting layout ideas and journaling suggestions - it really focuses on telling a story with your layouts, and finding unique ways to tell it instead of just a paragraph of text. The book itself is bound nicely and high quality, with great

color photos and a pleasing layout. Exactly what I expect for a craft book! This is one I keep close at hand in my craft room. 0 of 0 people found the following review helpful. It has so many great page ideas that I can't wait to try with ...By Renee I have tons of scrapbooking books, and this is by far one of my favorites! It has so many great page ideas that I can't wait to try with my own pictures. It also includes many page layouts with creative journaling that I would have never even thought of! This book is well worth the money, and I'd highly recommend it!

Capturing the right words to share memories can be a challenge--but it'll be easier than ever with the more than 175 solutions, quizzes, and ideas in this book. Even the most experienced scrapbookers--and writers--can get stumped from time to time. Words are sometimes hard to find, or they don't seem adequate to capture the powerful feelings behind the photos. That's why the editors at Creating Keepsakes magazine have gathered together some of the most inspiring--and easy to follow--journaling solutions around. This book contains hundreds of ideas to both write and format journaling to tell stories in creative ways that capture thoughts and feelings with ease. Beginners and longtime scrapbookers both will find what they need to get beyond those writing stumbling blocks to share their memories with style and meaning. With useful tips and layout ideas to show the way, there is inspiration in every page of *Journaling Solutions for Scrapbooks*.
