Karla Menaugh, Barbara Brackman : Juniper and Mistletoe: A Forest of Applique before purchasing it in order to gage whether or not it would be worth my time, and all praised Juniper and Mistletoe: A Forest of Applique:

4 of 4 people found the following review helpful. Clean Folk DesignBy S. SignoreI love the designs in this book. You'd have a hard time beating anything by Barbara Brackman, but the designs in this book have a wonderful simplicity. That makes them great projects for any appliquer. For me they combine the folk element with clean lines making them feel more modern. Any of the designs alone would produce a beautiful product even if you don't want to make all of the blocks.2 of 2 people found the following review helpful. Very InspiringBy M. TaylorLovely book and very inspiring. I'm sort of new at applique so this should be a good quilt to start with. I'm excited to pick out my fabrics and get everything cut out and "bagged" (as in one block per Ziploc bag). This system makes the project very portable and I can take it with me to sewing bees, meetings, etc. I highly recommend this book.0 of 0 people found the following review helpful. Five StarsBy LouiseLove the book and shipping was timely!

The tree, with its simple beauty and symmetry, calls to the artist in all of us. It's no wonder that the tree has been an image used on appliqué quilts almost from the beginning. In mid-19th century quilts, Karla Menaugh and Barbara Brackman found a forest of light-hearted inspiration. They have created a fanciful block-of-the-month quilt based on these quirky, one-of-a-kind tree patterns. As you create these playful tree blocks, Karla and Barbara show you how to machine appliqué in their signature style using freezer paper and a variable overlock stitch to mimic hand appliqué. Each block has tips to help improve your technique as you progress through the quilt. Four additional projects including a make-do, pincushions, a wall hanging and a table runner are included.

About the Author Karla Menaugh and Barbara Brackman have been partners in the quilt pattern business for 10 years. Together they have published many patterns through their Sunflower Pattern Co-operative. Barbara has published numerous books through Kansas City Star Quilts including *Flora Botanica: Quilts from the Spencer Museum of Art* and *Borderland in Butternut and Blue*. Karla lives in LaGrange, Kentucky, and Barbara in Lawrence, Kansas.
