Lots of beautiful color and inspiring photographs, a great book to add to your crafting library.0 of 0 people found the following review helpful. Four StarsBy SusieNice book with some good information but I was looking for more patterns.0 of 1 people found the following review helpful. GloriousBy IraThe title says for itself. I love this author for his talent and the hard work. Glad to have it.

Its an ultimate pattern- and color-reference source, absolutely guaranteed to get your pulse pounding. If you love all things colorful, decorative, and dazzling to the eye....Its hard to imagine a more intoxicating enticement to be more colorful in ones own work, no matter whether its quilting, garment-making, or any other sort of design. At less than

\$20...this book is a bargain. Threads.
