Quilters and sewers will get lots of ideas and inspiration.15 of 15 people found the following review helpful. A Feast of Color and TextureBy Bonnie1204Kaffe Fassett again deluges the quilter's sense of color and pattern in these traditional quilts both in the text and photography. The quilts are photographed in the island of

Malta against rich backgrounds of color and texture. This book is truly a feast for the eyes. Also included are instructions, complete with the fabrics used, and templates. As a fairly new quilter, I especially appreciated the finishing instructions, which included the color of thread and quilting pattern. 15 of 15 people found the following review helpful. Kaffe is a master of uninhibited color and pattern. By Suzanne Benson I love color and pattern, especially almost anything from Kaffe Fassett. The patterns in the book are simple, not complex, especially if you use his wonderful fabrics. But the patterns can be used with any fabric you like. His patterns are written differently than most of the current strip piecing books we see these days, so that's a little more challenging at first. I have all of his books and love 'em all!

In Kaffe Fassett's *Kaleidoscope of Quilts*, you'll discover 20 individual designs that feature both the new fabrics in Rowan's patchwork range and some firm favorites. Photographed against the glittering backdrop of the Mediterranean island of Malta, these quilts echo the bright sunshine colors in a glorious array of new designs from both Kaffe and his team, Liza Prior-Lucy and Pauline Smith. With each quilt, you'll find illustrated step-by-step instructions with colored diagrams, a 'flat shot' photo, and the quilt template.

About the Author San Francisco-born artist Kaffe Fassett is a name every quilter knows. His work has been commissioned by the British monarchy, American fashion designers, and the Royal Shakespeare Company. More than a decade ago, Fassett partnered with Rowan to create the Kaffe Fassett Collections, which debuts new fabrics each fall. He has written numerous quilt best-sellers including *Heritage Quilts*, *Kaffe Quilts Again*, *Kaffe Fassett: Dreaming in Color*, an autobiography, and *Kaffe Fassett's Quilt Romance*.
