**Kaffe Fassett : Kaffe Fassett's Quilt Romance: 20 Designs from Rowan for Patchwork and Quilting (Patchwork and Quilting)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kaffe Fassett's Quilt Romance: 20 Designs from Rowan for Patchwork and Quilting (Patchwork and Quilting):

Discover 20 glorious new quilts that will take you on a journey back in time when you flip through Kaffe Fassett's Quilt Romance. All the romance of a time gone by is captured in exquisite pastels, set against the dramatic Italianate architecture of a tiny Welsh village -- enchanting patterns that will warm up your home and make wonderful gifts. Based on Fassett's signature line of Rowan fabrics, here's the 11th book in his series of best-selling quilt patterns.

You'll find pieces designed by the world's finest quilters, including Liza Prior-Lucy, Pauline Smith, Robert Horton -- and introducing Kim McClean, an Australian quilt designer and teacher. Each pattern includes step-by-step instructions for creating a museum-quality piece -- plus inside tips and techniques that Fassett has picked up in over 30 years as a textile artist. And the stunning color photos by Debbie Patterson will inspire you to get going on your first project when you see the artful beauty in each and every piece.
