It was exactly what I was seeking as it contained enough detailed information for me to decide how to pursue learning the skill. The book is a welcome addition to my library and I expect to get a of of use out of it.3 of 3 people found the following review helpful. Look harder.By Lemon grabIf you are interested in learning the process of katazome dyeing I would recommend Japanese stencil dyeing (Eisha Nakano) instead.6 of 9 people found the following review helpful.
