good price. This is a fun book for anyone who is a fan of the 1940's. There are cute posters that were used during the era as well as fun pictures too. 2 of 2 people found the following review helpful. This book is wonderful!! By RUTH HARRIS This book is wonderful!!!!...lots and lots of fashion. Pictures are large and extremely clear. I would love to see more like 1920's or 1950's. I would definitely buy more!
