Tracey Agranoff : Kids Love Jewish Holiday Crafts before purchasing it in order to gage whether or not it would be worth my time, and all praised Kids Love Jewish Holiday Crafts:

1 of 1 people found the following review helpful. Great resource!By Susan L. MeyerowitzThis book has numerous craft/project ideas for the different holidays that are quite accessible for teachers of the elementary grades. (I teach grade 2.) These projects are fun and come out nice looking so are nice to send home for holiday display or use. Also, has many useful templates! Very useful book for Hebrew and Sunday School teachers as well as parents who may be looking for holiday projects to do with their children!14 of 14 people found the following review helpful. Best Childrens Jewish Crafts Book Out There!By A CustomerTracey Agranoff has written a wonderful, creative Jewish crafts book for children of all ages. Her imaginative craft ideas really bring the Holidays to life. The easy to follow Step by Step instruction guarentee success every time. The book has a great lay flat binding that makes it the easiest book to use I've ever seen. The book is fun,with bright color pictures and so easy to use I have reccomended it to all

my friends for their classroom use or at home with their own families.

Contains crafts for every major Jewish Holiday as well as holidays associated with Holocaust Remembrance Day and Israel Independence Day. Includes full color pictures of each craft and step-by-step photographs showing how to make each craft. Pages of Jewish Symbol Patterns are included in the back of the book
