By CustomerI heard if you download this book you could import the PDF files into your Silhouette software and cut the fabric using the Cameo. It worked.0 of 0 people found the following review helpful. NOT A BOOK By LAThis is not a book. This is a pamphlet of the patterns.1 of 1 people found the following review helpful. Great for gifts! Quick and easy. By Carolyn

BoesseGreat pictures for fabric layout. Instructions include breakdown of colors and yardage requirements for top, back, and binding. This book does not teach applique. It is assumes the reader/user already knows her preferred method of applique.
