Maxwell Eden : Kiteworks: Explorations in Kite Building and Flying before purchasing it in order to gage whether or not it would be worth my time, and all praised Kiteworks: Explorations in Kite Building and Flying:

0 of 0 people found the following review helpful. Five StarsBy George Spearswonderful book that give clear directions for building and flying your own kites15 of 15 people found the following review helpful. GoodBy A CustomerThis book is an ok book, but is a little confusing... I found that the drawings did not explain how to build the kites very well Intermediate-Advanced kite makers would love this book!!!
