Bobbie Matela : Knit Noel before purchasing it in order to gage whether or not it would be worth my time, and all praised Knit Noel:

0 of 0 people found the following review helpful. Five Stars By Carla L. Foulk Fun book for knitters. 1 of 1 people found the following review helpful. I love it !! By Carolyn Holbrook I loved the book and it was just as it was advertised...in wonderful condition and I received it on the day that it was promised. 1 of 1 people found the following review helpful. Quick projects By Paulette S. Parker This works when you want to do something and just don't want to think about it. I've made several items and recommend it.

The holiday season is time to create wonderful knitted gifts that show your love. It's a time for turning your home into

a winter wonderland with projects for your tree, your party table presentation and throws for living areas and bedrooms. Knit Noel includes more than 50 ideas to knit for holiday giving and decorating.
