Claire Garland : Knitted Bears before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitted Bears:

Knitting and crochet remain extremely popular crafts and the trend for making your own toys, rather than purchasing synthetic, mass-produced items shows no signs of slowing. In "Knitted Bears" these needlecrafts are used as fantastic methods of creating personalised, irresistible toys - perfect either for gifts or for your own family. Each of the eight bears, including girly Blossom Boo, stubborn Dill and motherly Marigold, has its own wardrobe and accessories, as well as strong characters all of their own!The patterns are clear and easy-to-follow, and the accompanying stunning photographs showcase the charming toys and their mischievous personalities perfectly. There are separate close-up shots and views of the accessories, all made in a wonderful range of soft yarns and gorgeous colours. With the straightforward patterns and inspiration for future creations, "Knitted Bears" will appeal to beginners in the crafts as

well as those with more experience.
