Susie Johns : Knitted Finger Puppets (Cozy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitted Finger Puppets (Cozy):

0 of 0 people found the following review helpful. Great patterns!By browneyedgirl952I bought this book to make finger puppets for friends' children as gifts. They're moderately difficult and they did take awhile to make (I'm a slower knitter) but I loved how they turned out! Great little details in the finishing touches, so much fun! I did find a few mistakes in the patterns, most moderately experienced knitters should be able to figure it out.0 of 0 people found the following review helpful. Knitted Finger PuppetsBy CustomerThese are cute little finger puppets to make as with some of my other books I haven't gotten to make these patterns yet, but soon. So I can't say whether the patterns have any problems or not. Buy if you know how to knit the basics then these patterns shouldn't be to hard to figure out or make even from just looking at the picture. I will give an update when I get to the patterns. The price was definitely right for the book.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerAdorable

Full of charm and personality, these 30 knitted finger puppets will appeal to children of all ages. Russell Ringmaster, Pixie Pete, Doctor Destiny, and other delightful characters are fun and easy to knit--but the fun doesn't stop there! They inspire kids to play creatively, from acting out swashbuckling adventures to fulfilling fantasy fairy tales. With five themes--Circus, Farmyard, Fairyland, High Seas and Science Lab--there's a set of puppets to make every youngster smile.

About the AuthorArtist, author, and knitter Susie Johns has written and illustrated a number of books on a variety of creative subjects. Her features and interviews have been published in such magazines as Embroidery, Stitches, Let's Knit, Crafts Beautiful, Quick Crafty, Needlecraft, and Art Attack.
