Sharon Welch : Knitted Toys before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knitted Toys:

2 of 2 people found the following review helpful. Lots of cute things to knit!! By Judy S. This is a sweet book to knit up toys for the little ones although I've had some of my adult friends ask for them too! I was fortunate to find this out-of-print book here and am very happy to have it!!

A collection of over 80 knitted toys, ideal as gifts for young children. Characters featured include Snow White and the Seven Dwarfs, Goldilocks and Jack and Jill. There is also a section of seasonal toys including Easter rabbits, a

Halloween witch and Christmas stocking fillers.
