**Jim Weyer : Knives: Points of Interest, Book 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knives: Points of Interest, Book 3:

1 of 1 people found the following review helpful. The finest pictorial of custom made knives everBy Andrew LimskJim Weyer is well known in the custom knife world for his superb photographs, most notably in the monthly Blade magazine. This book is the 3rd collection of Weyer's photographs and displays the beauty of the finest handmade knives of our time to best effect. If you are a collector, you owe it to yourself to get this book or better yet, the complete set of books. For the non-enthusiast, this book may just convert you to the world of custom knives.1 of 1 people found the following review helpful. Excellent photographs of stunning handmade custom cutleryBy A CustomerFor the custom knife collector, this is a book you must have in your library. This book shows the potential of what custom cutlery is capable of.
