Leisure Arts : Knots Beads before purchasing it in order to gauge whether or not it would be worth my time, and all praised Knots Beads:

0 of 0 people found the following review helpful. Not a good book in my opinion! By SapphireDolphin It does not tell you how to make some of the knots. Not very many pictures on how to do them just basically shows the finished product. I do not recommend this book for a beginner like myself. I will have to find another book! 0 of 0 people found the following review helpful. Five Stars By MaryJaneBeautiful and creative. Excellent delivery. 0 of 0 people found the following review helpful. Loved it! By Nilda Rosa Cortes Lots of different patterns to make bracelets with. Hopefully I'll use it with my daughters soon. Love it that it's simple.
