Kerri Newbury : Know How to Make Candles before purchasing it in order to gage whether or not it would be worth my time, and all praised Know How to Make Candles:

This Kerri Newbury book, *Know How to Make Candles*, is yet another of her easy to understand and follow crafters instructional books aimed at the very beginner of the age old art. With this book close at hand for guidance you'll be turning out various types of beautifully hand made candles which will both stun and impress your family members and friends. Just like soap making, the craft of candle making can soon have you turning your, Just for fun hobby into a cottage based business and earning money by selling your beautiful products through farmers markets and fair etc. If you are already a Cold Process soap maker you'll soon recognise that this craft goes hand in hand with your soap making, but if you're not yet into soap making you may well find yourself turning to that age old art too, as they go as well together as peaches and cream. Once you get started into candle making with the easy to understand and follow instructions in this Kerri Newbury book, you'll be looking to buy all the other *Know How to Make* crafters books in her growing series.
