From Mondadori Electa : La Cornice Italiana Del Rinascimento Al Neoclassico (Italian Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised La Cornice Italiana Del Rinascimento Al Neoclassico (Italian Edition):

An important survey of Italian frames from the Renaissance to the Neoclassical with 115 illustrations accompanying the text. 117 frames are described and illustrated, each with a full page color plate. An appendix illustrates 165 frames

related to those described. Also includes an extensive glossary and bibliography. Text in Italian.
