Discover the beauty of a simple line! A line is any shape distilled to its most basic form--but it has unlimited potential! From bold, straight lines to lush curves and lines that draw pictures, *Lines By Design* will show you how to get the maximum effect out of minimum composition. Using bias applique, machine applique and traditional piecing techniques, author Debbie Grifka offers designs for bold, modern pieces for your home. Featuring twelve bed-sized quilts plus pillows, placemats, table runners and more, you'll be able to choose from something pictorial, such as *Community Isolation*, featuring outlines of houses and trees, or try your hand at an updated classic, such as *Forever*, a riff on the classic *Double Wedding Ring* design. No matter which design you choose, you're sure to fall in love with the simple elegance of lines.
