Marie-Noelle Horvath : Little Felted Animals: Create 16 Irresistible Creatures with Simple Needle-Felting Techniques before purchasing it in order to gauge whether or not it would be worth my time, and all praised Little Felted Animals: Create 16 Irresistible Creatures with Simple Needle-Felting Techniques:

60 of 60 people found the following review helpful. Very nice book. By Molly Hodgdon This book is great for a beginner. It is simple, not lots of gratuitously complicated terminology like some books and shows you the basics of technique and form. I'm not an idiot, I'm a grad student for heaven's sake, but when I'm new at something I want to be started gently and not scared off by too much history and having to learn a whole new vocabulary. This was perfect. I was able to create this little cat like the one on the cover on my first try! Now I've moved on to coming up with my

own animals and experimenting with color. Thank you for the inspiration and instruction Ms. Horvath! 0 of 0 people found the following review helpful. Little Felted Animals By RosieC Animals look adorable. Has complete step-by-step instructions in the beginning for basics then generals for the animals as you go. Hoping it will be beneficial as I haven't yet started this new hobby. I think the Adorable Felted Animals book might prove to be a better aid as it has more detail. 0 of 0 people found the following review helpful. Everyone should felt!! By SurfinSDLove!! Santa brought this to my 8yr old and she tells EVERYONE about it. Perfect because of the easy-follow-steps and size guidance provided.

Aren't these the cutest? Sixteen meltingly adorable animals All the favorites, including cats, dogs, birds, bunnies, more Easy to make, great as gifts, toys, decorations All together now: Awwwww! In Little Felted Animals, author Marie-Nelle Horvath shows how to make the cutest little miniature animals, using just a few simple tools and some wool roving. Birds, bears, cats, dogs, mice, a fox, a sheep, a seal, and a bunny sixteen little bundles of fluff in all. Picture all those little eyes looking up at you as if to say, Thank you for making me! Then give these critters as gifts, use them as decorations, or arrange them on tabletops. Beautifully photographed in their natural habitats, these sweet dumplings will melt the heart of every crafter.
