All you need is loveand thats what this charming scrapbook, with 16 beautifully designed spreads, is all about. Its much more than just a photo album: its also a sweet book you can personalize with photos of the things, people, and memories dearest to your heart. The left-hand side of each spread features an inspiring quote devoted to a love-related theme, while on the right, a pocket forms an attractive frame once you slip a precious 4 x 6 photo inside. As you look back at each snapshot, youll remember those special moments with joy. The beautiful quotations include: Nobody has ever measured, even poets, how much a heart can hold.
