This is an excellent resource to help you make your own handwriting much nicer for not only your papercrafting, but also for when you just want to send a personal, old-fashioned, handwritten note. I like it a lot. 0 of 0 people found the following review helpful. Not everything came in the order/book. By HEIDI STANDISH It looked really old and used. It was missing the utensils in the back. 0 of 0 people found the following review helpful. Three Stars By Kim L. Wasn't what I really thought it would be. Wasn't too impressed with it.
