**Jane Sears : LUCKY BUCKS Other Comic Play Money from Depression Era Newspapers 1932 - 43** before purchasing it in order to gauge whether or not it would be worth my time, and all praised LUCKY BUCKS Other Comic Play Money from Depression Era Newspapers 1932 - 43:

0 of 0 people found the following review helpful. must have if you are familiar with money that was printed into the Sunday newspapers in the 20s and 30s. By Joseph Hawkins wonderful accounting of the moneys. was hoping the clarity in pictures would have been better, but what would you expect from 100-year-old bills to try and document them. it appears to be all inclusive on the subject of lucky bucks. 1 of 1 people found the following review helpful. A Great Book, Fun To Read! By Jack Phillips This colorful book is of interest to more than just play money collectors. The author has done a wonderful job of explaining the origin of Lucky Bucks and how they were used. Every page is filled with color illustrations including those of other interesting play money categories. It provides insight into

conditions and life during the depression years of the 1930s and on to 1943. The numerous comic characters are portrayed and identified very well. A good index helps find favorite characters. This book can be enjoyed by history buffs, comic collectors, artists, and is a must for all play money collectors. No other book has all this information. 0 of 0 people found the following review helpful. Highly Recommend!!By CustomerIncredible Book!!! -- Highly, Highly Recommend!!! --- Very Informative, Great Detail, and Beautiful Pictures!!!You Will Be Thrilled With Your Purchase!!!

After collecting lucky bucks and other "play money" since 1980, collector/author Jane Sears created Lucky Bucks other Comic Play Money from the Depression Era newspapers 1932-43 to share her collection and items from collections of some of her friends. Most collectors have never heard of lucky bucks play money which appeared in the comics sections of newspapers in 1932 and 1933. This book tells the stories of lucky bucks and other similar items from the Great Depression. Printed in color, it has over 1500 illustrations including over 1000 lucky bucks. Featured on the lucky bucks are characters from comic strips of the day. Included are Mickey Mouse, Blondie, Barney Google, Felix the Cat, Skippy, Popeye and many others. Readers are taken back to one of the worst times in American history and learn about the early days of many comic strips and the characters featured in them.
