Dolores Frantz : Magic with Vellum: Transluents (Can do crafts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic with Vellum: Transluents (Can do crafts):

Achieve remarkable results for your scrapbook pages using vellum and the unique techniques offered here. Overlays, lace effects, crimping, tearing, punching, folding and chalking techniques are all clearly illustrated along with great page theme ideas.

About the AuthorDelores Frantz is a multi-talented craft designer. She has worked with Girl Scout and youth groups for years, specializing in organized craft projects. Delores is often a guest on television and has written numerous jewelry and craft books for Design Originals.
