Jeanette Lynton : Magic before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic:

0 of 0 people found the following review helpful. Is this my favorite Jeanette Lynton Book? Or is Cherish my favorite? Oh my! By Skyeisle The contents are extremely helpful and yes a bit magical! I love all her books but Cherish and Magic are my favs. Each of her books are simply but beautifully presented. Well done indeed. I am copying most of this review for my other Lynton book reviewed. Each is a worthy addition to any card maker or scrapbooker's library. A delight to scan, so helpful to utilize and enhance one's scrap art. 0 of 0 people found the following review helpful. Fabulous By TexI paid an arm and a leg for this book since it doesn't seem to be for sale anywhere... only from thrid party sellers... but I must say, I think it was worth it. This really is a "magic"al book. I can't wait to use some of her techniques in my own scrapbooks. Well illustrated and once you adjust to how the techniques are presented, it's well documented too. But it did take me a few minutes to adjust to how it's done. Not every example has it's own technique broken down either if it's very similar to one that was just presented. That could have been flushed out a little more, but that just means I have to use a few brain cells to pull it all together. Still a great book! Highly recommend if you can afford a copy! 0 of 0 people found the following review helpful. It is amazing and I was very excited to get it By Terrie O Any serious scrapbooks needs this book! It is amazing and I was very excited to get it! Her other books are great too, but this is by far my favorite!!!

Readers will become master magicians of memories with the 35 patterns and interactive techniques featured in *Magic*. Each pattern, created by industry icon Jeanette Lynton, features ingenious elements that pull, spin, or slide to reveal more photos or journaling. Readers will love creating photo waterfalls, sliding filmstrips, explosion flaps, and more. The patterns are easy to reproduce with the book's step-by-step illustrated instructions, cutting patterns, and blueprints. An enclosed DVD includes additional video instructions and pattern templates. Jeanette R. Lynton is the founder and CEO of Close To My Heart, a leader in the scrapbooking and stamping industry. Jeanette's pioneering products include a series of instruction programs for scrapbooking layouts and easy-to-make cards. With her artistic eye and let me show you how approach, Jeanette has made scrapbooking faster and easier while continuing to emphasize the art of preserving memories and celebrating relationships. She lives near Salt Lake City. Create some magic with these interactive scrapbook patterns!
