Hold your breath, grab your towel and get ready to make a splash! From puddle ducks and mermaids to aquarium fish and waterbugs, you'll find enough mix and match water and maritime themed design collections in this publication to fill an ocean! Simply trace the design and then transfer the image onto your project surface to make outstanding personalized items with professional results every time. This publication includes mix and match character designs and images that include mermaids, aquarium fish, underwater foliage, water puddle friends, tugboats, lighthouse scenes, maritime images, waterbugs and related wordart images. Designs can be colored with paint, color pencils, inks, markers, chalks, etc. There are extra pages at the back of the book you can use for personal project notes.
