Great book!By SusanIf you love making dolls and are considering making dollhouse dolls, this book is a wonderful tool. Color photos, patterns, step-by-step instructions make this book a real treasure.1 of 2 people found the following review helpful. Better fit for the clothing needed.By Kindle CustomerExcellent book. Only problem I can see is that the patterns and instructions don't emphasise the FIT of the clothing.All patterns and instructions should put more stress on adjusting the garment to FIt the doll more closely.Other than that, a fine instruction book.

Shows readers how to design and make clothes for a variety of dolls, featuring patterns and step-by-step instructions and full-color illustrations.
