Melody Thompson : Make It in Minutes: Faux Flower Arrangements before purchasing it in order to gage whether or not it would be worth my time, and all praised Make It in Minutes: Faux Flower Arrangements:

3 of 3 people found the following review helpful. Short SweetBy coppertopShort and sweet...super easy designs with creative, current flair. If you don't have alot of time to create, this book is for you...true to the name, projects are easy to produce with step by step directions and most projects translate to fresh flowers as well. Nice photos too!

The craft of faux flower arranging is ready for a contemporary updateand Melody Thompson, a Texas Master Florist, is just the person to do it. Founder of a successful Austin, Texas floral boutique, Melody has extensive experience creating personal and original designs for weddings and special events. Here, she reveals her secrets for getting

professional results in less than one hour. Vivid color photos display 40 beautiful and varied arrangements and styles for accents, centerpieces, wreaths, topiaries, and bouquets.
