By AJA very basic booklet with no pictures at all. Most of the information in this booklet can be found for free on the web.

Want To Make Soap But Think It's Too Difficult? It's Easy If You Learn Step-By-Step! Alicia Joy Will Guide You. Have you ever dreamed of making your very own soap from scratch? Ever wondered what magic lies behind those beautiful bars you see on sale at craft fairs, farmers markets and on Pinterest? Want you create your own bars using only the best ingredients and most uplifting scents? Now is your chance! If you've ever read a book or taken a class on soap-making, you've probably come away feeling utterly overwhelmed with ingredients and the method itself, as well as worried about doing it all in a safe way. You might even be quite self-sufficient and experienced at creating items from scratch, and want to have a go at soap, but feel out of your depth right now and are not sure where to start. This book is exactly for you. Hidden within its pages is absolutely everything you need to know to go from complete beginner to expert at soap-making. Before you know it, you'll fall in love with the fun and creative process and find yourself designing your very own recipes that make people fall in love with soap all over again, making them feel pampered and spoiled, as well as soothing their aches and pains at the same time. There's no need to settle for second-rate bars that are lacking in character anymore, no need to put up with synthetic chemicals nor worrying additives that harm your health and hurt the environment. You can create exactly what you dream of using exactly what you like, and I will show you how. In this book you can expect to learn: The Science of Soap-Making The Different Ways to Make Soap The Equipment You'll Need Safety Information The Secret to Making Awesome Soap How to Create Your Own Soap Recipe What Makes a Great Soap? How to Create Your Own Recipe from Scratch How to Add Extras Like Fragrance and Decorative Items Troubleshooting Your Soap Problems PLUS, great soap recipes that will teach you how to use the soap-making techniques themselves, including Fragrant Lavender Soap, Lemon Scented Castile Soap, Chamomile Baby Soap, Natural Calendula Petal Soap and Oat and Honey Transparent Soap.
